

Bad Resume - Candidate: John Doe

Name: John Doe

Email: johndoe@example.com

Phone: 000-000-0000

Summary

I like computers but don't really know much about data science. I sometimes write code, but it rarely works. Not really sure what machine learning is. I enjoy watching TV and playing games, and I have little interest in technical challenges.

Skills

None, basic computer usage, occasional code errors

Experience

Worked at a local cafe for 1 year. Had a part-time job that did not involve any programming or data analysis. No experience related to data science or technical roles.
